

PROJECT 1

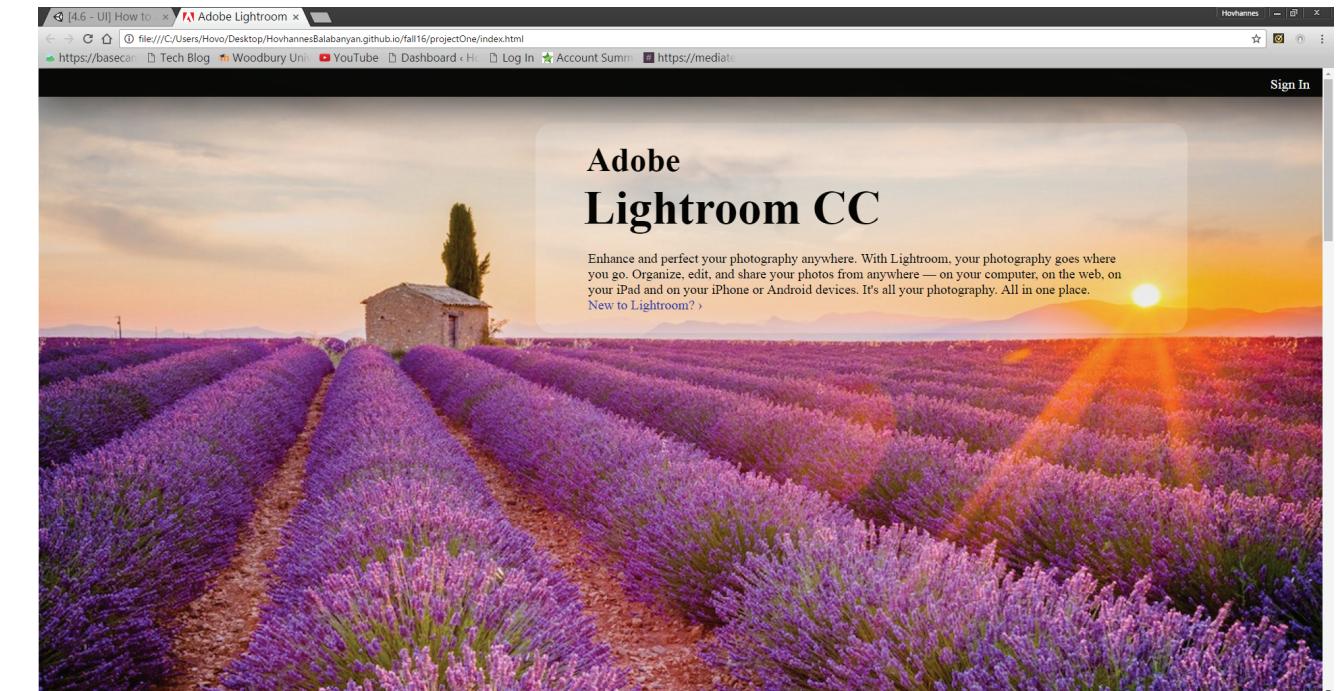

Revision

Navigation Bar

Images

Forms

This first project let me reintroduce all the things I had learned in the prior web design class. We used all of the basic tag to develop a website. We even used the form tag to create a way users can purchase Adobe suite.

Boundary Warp stretches the edges of a merged panorama to give you the full image without losing any important details.
[See how it works](#)

The Lightroom for mobile app lets you capture, organize, edit and share your photos on your iPhone, iPad, or Android phone.
[Get Lightroom for mobile](#)

A screenshot of the Adobe ID sign-up page. The page has a light blue header with the text "Adobe ID" and "Sign in to purchase Creative Cloud Photography Plan". Below this, there are input fields for "First Name", "Last Name", "Email", and "Password", along with a "Country" dropdown set to "United States of America". To the right, there are two promotional boxes: "Creative Cloud Photography" (includes Photoshop, Lightroom and more, US\$9.99/mo) and "Creative Cloud Complete" (includes Lightroom, Photoshop, Adobe Muse and more, US\$49.99/mo). At the bottom, there is a checkbox for accepting terms and conditions, followed by the text "We Love Students and Teachers. Save 60% on Creative Cloud US\$19.99/mo".

PROJECT 2 Banner Ad

ANIMATION

Translate

Animations

Keyframes

The second project was a banner ad that introduced us to animations in web development. This gave us the ability to animate objects to create an advertisement.

PROJECT 3

Responsive Web Design

Media Queries

This first project let me reintroduce all the things I had learned in the prior web design class. We used all of the basic tag to develop a website. We even used the form tag to create a way users can purchase Adobe suite.

The mobile view shows the top navigation bar with the Starbucks logo, 'STARBUCKS FOR LIFE!!', 'HOME', 'WIN!!', 'DRINKS', and 'WINNERS'. Below this is a large section titled 'MEET THE WINNERS!' containing a photo of a woman holding a Starbucks cup and some descriptive text about her.

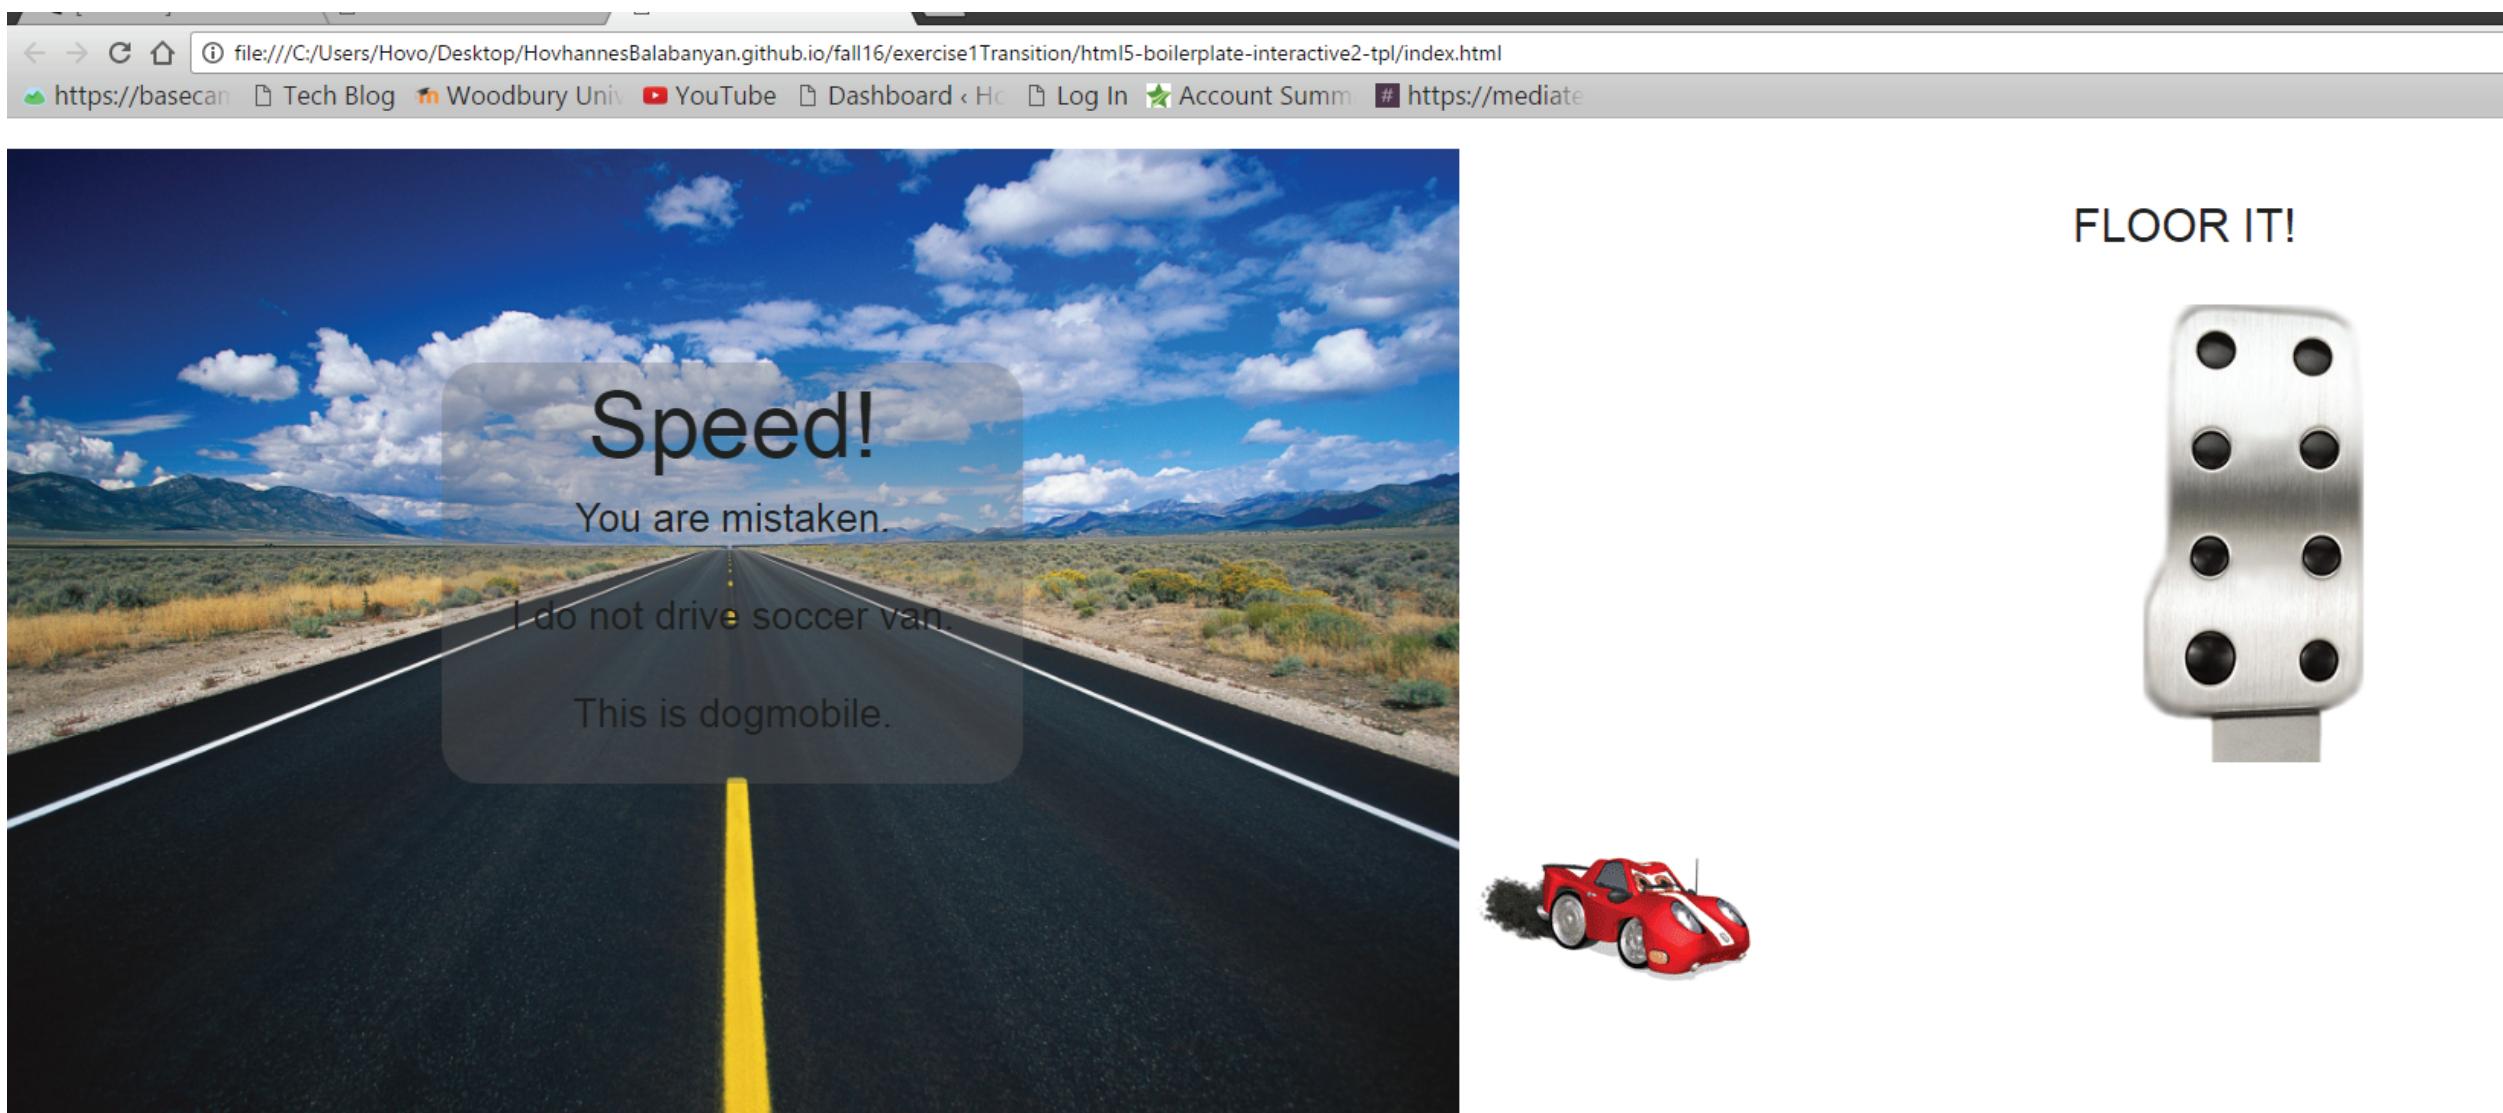

The desktop view features a dark green header with the Starbucks logo and 'STARBUCKS FOR LIFE!'. Below it is a navigation bar with 'HOME', 'WIN!!', 'DRINKS', and 'WINNERS'. The main content area is titled 'MEET THE DRINKS!' and includes a grid of four coffee options: Caramel Brûlée Crème Frappuccino® Blended Crème, Caramel Cocoa Cluster Frappuccino® Blended Coffee, Chestnut Praline Frappuccino® Blended Beverage, and Caramel Waffle Cone Frappuccino® Blended Beverage.

The tablet view displays a central 'BECOME A WINNER!' section with a form for entering a competition. It includes fields for First Name, Last Name, Email, and Phone number. Above and below this form are promotional banners for Starbucks gift cards and holiday favorites like Gingerbread Latte, Caramel Brûlée Latte, and Peppermint Mocha.

EXERCISE 1

TRANSLATION

Using a haiku, we had to develop a page that had translations that would emphasize the poem.

EXERCISE 2

ANIMATION

With the introduction to keyframse, we had to create an animation with patterns.
